RESPONSE

Sir:

This is responsive to the Notice of Non-Compliant Amendment (the "Notice") dated December 8, 2003, and further to the Amendment filed on November 18, 2003 (the "Amendment"), in the above-identified application, as follows.

The Notice indicates that the Amendment is considered to be non-compliant because it has failed to meet the requirements of 37 C.F.R. § 1.121. Specifically, the Notice indicates that a complete listing of all of the claims is not present in the Amendment and further that canceled claims must be presented. It is understood that the finding of noncompliance is predicated on the basis that the Amendment does not include an express statement regarding the status of Claims 1 through 68. (These claims were identified as

being canceled in the Remarks portion of the Amendment.) Claims 1 through 68 have been listed herein as being canceled along with the presentation of Claims 69 through 76, which are pending in the application. See page 3 *infra*.

The Examiner is respectfully requested to enter this Response.
